## *Announcement.*

In our annual public auction of Shorthorns on Thursday, March 24, 1921, we are offering 3 bulls and 47 females. The breeding and quality of these cattle are of the best, and they will be offered in a condition that will insure their future usefulness. Most of the females will either be bred by us or carrying the service of one of our herd bulls, of the Villager, Cumberland, or Avondale blood.

We extend an invitation to all interested in good cattle to be with us sale day.

A. S. LOVELAND.

## PEDIGREES

Pedigrees furnished with all single lots sold, except calves and calves to come, which will be furnished in application form.

## TERMS

Cash or bankable note for short time at 8 per cent interest; arrangements to be made with clerk before sale. All stock will be loaded on cars free to purchaser.

## WARRANTY

We believe every animal to be sold in this sale will prove a breeder under proper care, but should any bull in this offering prove not a breeder after a reasonable trial period, we will replace him to the buyer's satisfaction or refund the purchase price; and further, should any female not prove to be in calf to service given, and on further trials fail to get with calf, we will replace such animal with another of equal value as near as possible. Cows with calves are considered breeders and no further guarantee is given. All animals tested March 1st and are sold subject to sixty-day retest.
